

EESE Guest Speaker Series

Recycling

How much garbage do you produce in a day? How much of that garbage has to go to the land-fill? How much can be recycled?

What belongs in the Blue Box? What happens to the materials we put in the Blue Box? What new items are made from the things in our Blue Box?

Come **listen**, **discuss**, **see**, and **touch** what recycling means.

Date: Thursday, October 6, 2016

Time: 12:00 pm – 12:40 pm or 6:00 pm – 6:40 pm

Location: Room 6 First come, first seated.
